Dear World Traveller,

One could spend a lifetime exploring the Americas and never cease to be amazed by the beauty of these lands and the richness of the cultures. No matter how far you travel, there is always an undiscovered corner waiting to surprise you – and it's often hidden in a place you've visited many times before.

Our 2026-2029 Americas Collection celebrates the legendary landmarks that distinguish a lifetime of travel as well as the unexpected discoveries that you never knew to seek. These voyages encompass icons like Machu Picchu, the Panama Canal and the Amazon River – astonishing achievements of nature and humankind. Yet they are equally defined by quieter experiences: witnessing shades of colour you never imagined in a Caribbean sunset, hauling in the day's catch with a third-generation Alaskan fisher, or standing on Earth's exposed mantle in Newfoundland. The most memorable moment of your voyage may well be one that didn't even appear on your itinerary.

This collection marks the inaugural Caribbean season for *Oceania Sonata* in 2027-2028, as well as the debut of *Oceania Aurelia* on American shores in 2028. The newest addition to our fleet, *Oceania Aurelia* was purposefully designed for extended worldwide travel and will continue exploring the globe throughout the Americas and as far south as the waters of Antarctica.

Wherever your travels lead, you can expect the relaxed sense of comfort and ease that is the hallmark of our intimate, luxurious ships. Life on board unfolds at your own pace in a refined, unhurried ambience, where our gracious officers and crew ensure you feel perfectly at home. As has been true since our founding, The Finest Cuisine at Sea® reflects our belief that every journey is best experienced through the lens of food and wine, celebrating the flavours of the world with expertly crafted cuisine both on board and ashore.

The effortless travel experience is further enhanced by Your World Included®, our curated collection of complimentary amenities including gourmet speciality dining, gratuities, Wi-Fi and more. You may also select either a Shore Excursion Credit or Wine and Beer by the Glass during lunch and dinner, allowing you to tailor the voyage to your own preferences. All of this is enjoyed in an adults-only environment of understated elegance.

We look forward to welcoming you aboard to explore the extraordinary diversity of the Americas in comfort and luxury.

Warm regards,

JASON MONTAGUE | *Chief Luxury Officer, Oceania Cruises*

Whether greeting you ashore, noticing your comfort on board or anticipating your dining preferences, our staff and crew ensure that every moment feels effortless and considered. Aboard Oceania Cruises you are home, because home is where you are truly seen and genuinely cared for.
