TO SYDNEY, NEW SOUTH WALES

## Day by Day Itinerary

|          |                                                                                                                                                                                                                                                                                                                                                                                  |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| DAY<br>1 | <p>Singapore, Singapore</p> <p>Tuesday, 28/11/2028</p> <p>Arrives 07:00 · Departs 16:00</p> <p>The main island of Singapore is shaped like a flattened diamond, 42 km (26 miles) east to west and 23 km (14 miles) north to south. Near the northern peak is the causeway leading to West Malaysia—Kuala Lumpur is less than four hours away by car. It is at the s...</p>       |
| DAY<br>2 | <p>Port Klang, Malaysia</p> <p>Wednesday, 29/11/2028</p> <p>Arrives 08:00 · Departs 17:00</p> <p>Kuala Lumpur, or KL as locals refer to it, intrigues visitors with its diversity and multicultural character. The city's old quarter features stretches of shop houses that hint at its colonial past, while modern buildings—including the iconic Petronas Towers—g...</p>     |
| DAY<br>3 | <p>Langkawi Island, Malaysia</p> <p>Thursday, 30/11/2028</p> <p>Arrives 09:00 · Departs 18:00</p> <p>On Malaysia's west coast, Langkawi is an archipelago made up of 99 islands. The only real settlement is on the main island, Pulau Langkawi. This popular beach destination attracts divers from around the world to explore the sea life, and after being declared a...</p> |
| DAY<br>4 | <p>Georgetown, Penang, Malaysia</p> <p>Friday, 01/12/2028</p> <p>Arrives 07:00 · Departs 17:00</p> <p>An island off the northwest coast of peninsular Malaysia, Penang is blessed with a multicultural history that's led to a fascinating fusion of East and West. Claimed by the British East India Company in 1786, the island's city center of Georgetown—listed as a...</p> |
| DAY<br>5 | <p>Cruising the Malacca Strait</p> <p>Saturday, 02/12/2028</p>                                                                                                                                                                                                                                                                                                                   |
| DAY<br>6 | <p>Cruising the Java Sea</p> <p>Sunday, 03/12/2028</p>                                                                                                                                                                                                                                                                                                                           |

|                  |                                                                                                                                                                                                                                                                                                                                                                                       |
