## About this Exclusive

15 Night Cruise | Departing Southampton 6th August 2027 Begin your journey at the port of Southampton on the 6th August, where you'll embark Princess Cruises' Regal Princess for a 15-night "Fire & Ice Explorer" voyage from Southampton to New York. You'll first sail north to the islands of Scotland, with calls at Kirkwall in the Orkney Islands and Lerwick in the Shetland Islands. From there you'll cross to Iceland for four days in port: Akureyri, the "capital of the North", Ísafjörður in the dramatic Westfjords, Grundarfjörður, with its much-photographed Kirkjufell mountain, and Reykjavík, with its geothermal pools and Northern European charm. After more time at sea, you'll arrive in Halifax, Nova Scotia, a historic harbour town on Canada's Atlantic coast, before sailing into New York at dawn on the 21st August, with views of the Statue of Liberty and the Manhattan skyline. Onboard, the Regal Princess has a choice of dining, shows, live music and activities, so each day at sea is as full or as quiet as you like. After you disembark, transfer to the airport and fly home to London, arriving on the 22nd August.
