About this Exclusive

13 Night Cruise + 3 Night Pre-Cruise Stay + 2 Night Post-Cruise Stay | Departing Heathrow 8th October 2027 Begin your journey with a flight from London Heathrow to Tokyo, arriving on the 9th, where you'll transfer to your hotel for three nights pre-cruise. On the 12th, transfer to Yokohama and embark Royal Caribbean's Quantum of the Seas for a thirteen-night voyage from Tokyo to Singapore. Your first calls are in Japan: Osaka, the gateway to the temples and traditions of Kyoto, then Kochi, on the island of Shikoku, followed by Naha on tropical Okinawa. Next, sail to Taiwan and Keelung, the port for Taipei, before arriving in Hong Kong for a day and evening in port, with time to take in Victoria Harbour and the city's famous skyline. Continue to central Vietnam, calling at Chan May, the gateway to the imperial city of Hue and the charming town of Hoi An, with time at sea to relax before the final leg to Singapore. Onboard, Quantum of the Seas has a choice of dining, entertainment and activities for all ages, so each day at sea is as full or as quiet as you like. Disembark in Singapore on the 25th October and spend two nights in a hotel, with time to see Gardens by the Bay, the waterfront and the city's hawker centres. Finally, transfer to the airport and fly home to London Heathrow, arriving on the 28th October.
